WAYS TO SHOW YOUR SUPPORT THIS YEAR

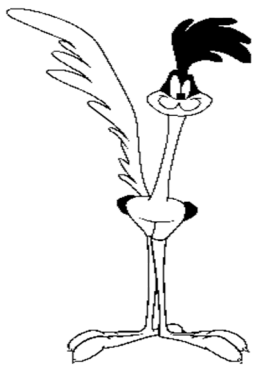

Each family is an important part of the RHHS A! We know that every family is different and most families today face various challenges and time constraints. However, there are many ways to show your support for the students and staff at Rolling Hills. Please consider one that's best for you! Some ways are:

- Becoming a H&S Member
- Filling out the attached Volunteer Form
- Supporting fundraising events and projects
- Participating in events throughout the year
- Sending in Box Tops
- Registering your Giant A+ Reward cards
- Saving up your old clothing for our Fall Clothing Drive
- Attending a Home & School Meeting

??? Did You Know???

RHHS A was awarded over 13K in Council Rock Education Foundation grants to launch the GeoBee, the C2 Club, and the Accepting Me Accepting You library. Over the years, RHHS A has also purchased new stage sound and AV equipment, donated new classroom technology (ipads and charging carts), and installed new playground equipment. Most recently RHHS A has contributed 3 broadcast club equipment sets. It's been a great experience and fun for all the students to learn and watch the broadcasts created by students each morning!

RHHS A also organizes all sorts of family fun and student enrichment events.

Why should I become a Home & School Member? The annual membership drive is the primary fundraiser for the RH school community. Your membership money helps the RHHS A fund programs & events for your child that are not funded by the district.

- **Where does my membership money go?** Membership money is used to pay for assemblies throughout the year, author visits, curriculum nights, assignment books, Young Author books, Halloween & Field Day supplies, teacher appreciation events, playground improvements, technology enhancements, and much more! At \$20 or more (just \$2 per school month!), this is a great way to invest in your child's education!
- **Why does the directory cost so much money? \$20 for the directory???** Access to the on-line student directory does NOT cost \$20! Access to the on-line directory is actually a perk of becoming a Home & School Member. The \$20 donation is not payment for the directory, but rather a donation to the school as part of our Membership Drive. The Membership Drive is one of the biggest contributors towards the H&S operating budget.
- **If I fill out the volunteer form, am I obligated to volunteer?** No, this is only an expression of interest. However, we hope that parents will consider volunteering at least 1-2 hours at some point throughout the year. We are looking for a lot of people to give a little, not a few people to give a lot.
